The 1921 convention of the Illinois Bankers' association will be held in Chicago June 9 to 10, it was announced today. The following Chicago bankers have been appointed a committee in charge of all arrangements: C. B. Hazelwood, John R. Washburn, M. A. Taylor, J. F. Hagey, F. A. Crandall and C. E. Estes.

Automobiles exported from the United States in 1920 numbered 142, 508 passenger and 29,126 commercial

The Stewart-Warner Speedometer Corporation earned \$4.83 per share on its 457,525 shares of no par value for the year ending December 1, 1920. The annual statement shows net profit after federal taxes of \$2,210,927 as against \$1,963,574 for 1919.

Improvements in stock prices was attributable to several favorable developments. One of the most important of these was the continued advance in sterling exchange to a new high topmost figure since the rate crossed \$4 for the pound sterling last year. sterling is attributed by some of the

The steady rise in the quotation for largest international bankers to the narrow market existing and the fact that in view of the reduced supply of bills it takes but relatively small purchases to cause a rise in the rate. Another favorable influence was the announcement of an increase by a refining company in the price of sugar and a rise made public by one oil company in the price of crude oil. The latter two actions would indicate that among those industries as to whether prices have been down too far.

How to Improve Your Health. At the Dentists Convention held in the last days of January in Chicago one of the foremost speakers said: "If you would like to improve your health, try eating with deliberation." And he enumerated many physical ills that the "quick lunch" habitue suffers. But this bad habit of devouring food without mastication cannot be easily re moved, and therefore we must reckon with it and look for a sure corrective. Triner's Bitter Wine is the remedy. It aids digestion and cleans out the bowels. Everybody who has tried it once is satisfied. So wrote us Mr. Fermino Lopes from N. Bedford, Mass.: "I have tested Triner's Bitter Wine and must say that it helped me remarkably." Your druggist or dealer in medicines will confirm you that the renown of all Triner's remedies is peerless. Triner's Liniment, Triner's Cough Sedative, etc., are excellent remedies .- Joseph Triner Company, 1333-45 S. Ashland Ave., Chicago, Ill.
